A Lullaby

Go to sleep, my lit - tle child,
Rest your bones and close your eyes,
Soothe your soul and ease your mind,
You'll be safe and you'll be fine,
Dream well, my lit - tle child,

Go to sleep, my lit - tle child,
Rest your bones and close your eyes,
Soothe your soul and ease your mind,
You'll be safe and you'll be fine,
Dream well, my lit - tle child,

Go to sleep, my lit - tle child,
Rest your bones and close your eyes,
Soothe your soul and ease your mind,
You'll be safe and you'll be fine,
Dream well, my lit - tle child,

Dream a lit - tle while.
Dream a lit - tle while.
Dream a lit - tle while.
Dream a lit - tle while.
Dream a lit - tle while.
